

APPLICATION

THE BEST UNDERGRADUATE PHYSICS RESEARCH PROJECT AWARD – 2026

Institute of Physics, Sri Lanka

A. APPLICANT DETAILS

Full name	
Name with initials	
University / Institution	
Faculty	
Department	
Degree programme	
Student registration no.	
Address	
Email address	
Mobile number	

B. PROJECT DETAILS

Project title	
Primary physics area	☐ Mechanics ☐ Waves ☐ Optics ☐ Electricity & Magnetism ☐ Thermal Physics ☐ Modern Physics ☐ Electronics ☐ Other:
The year of project	
The place where the research was carried out	
Grade for the research project	
Research output	Number of Indexed Journal Articles* Number of Non-indexed Journal Articles* Number of Conference Full Papers* Number of Conference Abstracts* Number of International Patents* Number of National Patents*

*Supporting documentary evidence to be provided.

Brief description of the Research Project (*maximum 180 words*)

C. APPLICANT DECLARATION

- ☐ I hereby confirm that I was an undergraduate student of a state or private university in Sri Lanka and have successfully completed the relevant degree programme.
- ☐ I hereby declare that the thesis submitted is based on my/our original work and that all external sources, designs, ideas, and other contributions have been appropriately acknowledged and referenced.
- ☐ I hereby agree to abide by the rules and regulations of the Institute of Physics, Sri Lanka (IPSL).
- ☐ I hereby certify that the given information are true and correct.
